

Why Should I Care?

Why We Should All Care!

Lets look at a few of God's 10 commandments:

Have you ever lied? Have you ever stolen anything? Have you ever cursed using God's name? Have you ever looked at another person with thoughts of lust? Have you ever treated your parents wrong?

Most of us have broken most of these five commandments. Everyone has broken at least one of them, and there are still 5 more commandments go!

The ten commandments were given to us for two reasons:

1. To show us the standards that God wants us to live by
2. To show us that we are sinners and cannot live up to God's standards

The ten commandments basically condemn us before God, and make us aware that we deserve to be punished for our transgressions against God.

There is Good News though.

The Good News!

God loves us so much that he has offered us a free pardon from the judgment and punishment that is coming. This pardon is free to us, but it cost God dearly.

He sent Jesus, His one and only Son, to die on a cross to take the penalty for our sins. Jesus died, and after three days, He rose from the dead conquering death and proving His Deity.

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him. Whoever believes in him is not condemned, but whoever does not believe stands condemned already because he has not believed in the name of God's one and only Son."

John 3:16-18 NIV

Once we understand that we are sinners and are guilty under the perfect Law of God, we can take advantage of God's gift of forgiveness.

All you have to do once you understand that you have sinned and have not lived a perfect life is believe in Jesus, repent of your sins (pray asking him to forgive you) and ask him to come into your life and help you to live for him.

He will and you will be saved!

Then start learning about God by reading His Word, The Holy Bible. The book of John is a good place to start.

Facts You Should Know:

- God is Perfect!
- God is Love!
- God is Just!
- God Hates Sin!
- God is coming back soon to judge sinners and all sin!
- Hell is Everlasting!
- Heaven is Everlasting!
- God wants us in Heaven!
- No Man is good enough to make it to heaven on his own accord.
- Heaven is not something we can earn. It is a free gift from God for those who believe in Jesus and come to Him!
- Jesus is the ONLY way to God!

Beware of false teachings that say there are many ways to heaven. They are not true!

Life is not a balancing scale where you are balancing your good deeds against your bad. If you must use a scale then picture Jesus on one side of the scale. Can you measure up to His perfection? I think not!

Do you think God the Father would send His one and only Son to be beaten, mocked, tortured and then killed on a cross if there was another way for us to get to heaven? God must Love us very much to go to this extreme.

I've accepted this gift, and I hope you do too!
